AN EARLY WISCONSIN FAMILY: Mrs. Marvin L. Rauch, Route 1, Bow, Washington, submitted the following family records. Elsewhere in this issue, under an offer to exchange data, Mrs. Rauch says, "...I have been in contact with Karl Friedrich von Frank and have obtained the line back five generations. Since our Society exchanges publications with Mr. von Frank, we suspect that contact was made through a previous query placed in this publication by Mrs. Rauch. We have the following address for our exchange with Mr. von Frank:

Karl Friedrich von Frank
Schloss Senftenegg
Post Ferschnitz, Niederosterresch
Austria - Europe

The family record starts with the present generation and the reader will note that the donor is the wife of the seventh child of the number 1 ancestor. The numbers placed within parenthesis correspond to numbers of pages on which verified information is found. Mrs. Rauch has also submitted for our files photocopies of the certified translations of the actual records as she received them from Mr. von Frank.
